

Pedro Simarro & Leire

My name is Pedro Simarro, I'm 43 years old and I live in Valencia with my wife, Cristina, and my son (Iker) and daughter (Lara).

First, I would like to thank FEAECE for thinking of me to judge this prestigious agility world championship IMCA/ PAWC 2019 in Silla (Valencia).

I started to practice agility in 2001 with my mixbreed dog Giru. In 2009 I continued with Yeleen (Australian Kelpie) and actually I'm training with my Border Collie, Leire, and leading a canine education and agility group in Torrent (Valencia).

I'm judge of ADACV (Agility Sports Group of Valencian Community) and FEAECE (Spanish Federation of agility and canine education) since 2003, and WCL (World Cynosports Limited) judge, level advanced, since 2007.

In these years I have judged many trials, Opens, and Finals of ADACV and FEAECE official Championships.

My best wishes for all participants. I hope you enjoy with my courses.
