

Walter Casier

My name is Walter Casier. I'm 62 years young and I live in Pittem, not far from Bruges, in Belgium.

I'm already judge from 1992. And as judge it's me a great honor to take part of the IMCA/ PAWC 2019 in Silla (Valencia).

I was judge in several international competitions, but this event means a lot for me.

Moreover, I have been Team leader or coach for about 7 times with the Belgian Team, and 5 times I was competitor myself with my borders Blester or Chu'a or with my little mix breed Apachy Pickachu.

I hope to surprise and delight everyone with beautiful and pleasant courses.

I wish everyone a successful event and I hope a great competition.
